

International Seminar on “Construction Guidelines for Standards and Competency Framework of Early Childhood Education”

22 July 2016

Assoc. Prof. Dr. Suriyadeo Tripathi

Assoc. Prof. Dr. Suriyadeo Tripathi , Director of the National Institute for Child and Family Development, Mahidol University, gave a keynote speech entitled “Thailand’s Community Baby-sitting System with Positive Psychology Approach (Life Assets) Strengthen the Positive Parenting in Family”. He said that community baby-sitting system with three step ladders by using the life assets positive psychology and reinforcement process approach to build up strength of family power become an important emergence resiliency in child and youth to living in new digital world. Key to the program’s success is that it listens and respects the opinions of children and youth in the community; placing them at the center of activities. Most importantly, the tools for success are Power of Self, Power of the Family, Power of Intelligence, Power of Community, Peer Power and Creative Activity.

Presentations and Group Discussion

The parallel sessions were held for two groups of participants, university lecturers and early childhood teachers from ASEAN countries. Each group exchanged knowledge and expertise in early childhood management in each country.
