## FULBRIGHT THAI GRADUATE SCHOLARSHIP PROGRAM (TGS) FOR THE ACADEMIC YEAR 2019

\*\*\*\*\*

### GENERAL INFORMATION/PROVISIONS

To continue its mission of promoting mutual understanding between the people of the United States and Thailand through educational exchange, which has been successfully implemented throughout the past six decades, the Thailand-United States Educational Foundation (TUSEF), also commonly known as “Fulbright Thailand”, announces its annual competition for the **FULBRIGHT THAI GRADUATE SCHOLARSHIP PROGRAM (TGS)**, formerly known as the Open Competition Scholarship Program) to qualified Thai individuals for graduate study in the United States of America beginning in the 2019 academic year.

Becoming a “Fulbrighter” confers instant recognition that the individual has been chosen through a rigorous, internationally-recognized competition based on individual merit and a transparent selection process. This has been true since the Program’s inception and its reputation instantly identifies grantees as members of a worldwide community of scholars all selected on the same basis and sharing the same goal of promoting mutual understanding between Thailand and the United States of America.

Up to seven grants will be available for candidates who will commence their graduate level studies in the academic year 2019. This year, Fulbright will provide support for candidates seeking masters and doctoral degrees.

Awards will be offered in a broad variety of fields with the exception of medicine and nursing. Public health and allied subjects with no clinical practices are eligible.

Fulbright will consider awarding up to four of the seven grants on a regional basis to welcome more candidates from the provinces. For these four grants, one grant will be made on the basis of competition among candidates from universities in each of the four regions – the North, the South, the Northeast and the Central regions—yet retaining the Fulbright standards and quality. The remaining three grants will be made on the basis of national competition open to candidates from universities in all four regions. Note that the region of competition will be determined by the location of the campus where the candidate is studying or has received a degree. If, however, no candidates from any of those regions meet Fulbright’s high standards, TUSEF reserves the right to decline the award for that region and to select a candidate from the national pool.

Successful candidates will receive funding from the Foundation for the actual costs of the first year of their selected program (not exceeding \$35,000) in the United States. Grants are normally for one academic year. Grantees who require more than one year to complete their degrees are eligible for further funding of up to \$17,500 for the second year. The second-year grant will normally be provided on a case-by-case basis depending on reasonable progress towards the planned degree.

**It is expected that those pursuing doctoral degrees will be able to find their own funding beyond the second year.** Fulbright and its partner organizations in the United States may be able to assist in seeking this additional funding, which could include teaching assistantships, tuition waivers, or fellowships.

Grants are intended to cover costs of tuition and fees, books and educational supplies, maintenance allowance, and insurance coverage. Additionally, the Foundation will cover international travel expenses (economy class) for one round-trip between Thailand and the United States.

**The deadline for application submission is Monday, April 9, 2018 at 1 p.m. (Thailand local time).  
No extensions of deadline will be granted under any circumstances.**

## ELIGIBILITY

An applicant must:

- 1) be a Thai citizen in good health (individuals holding U.S. immigrant visas or permanent U.S. resident cards (green cards), or dual citizenships (Thai and any country) are not eligible for the TGS program);

Graduating seniors, who are to complete their bachelor's degree (or master's degree) programs after the application deadline (April 9, 2018), can submit an official transcript with records up to the first semester of their last year (or 2nd year of their master's). However, if applicants are invited to the final interview, they must also submit an original copy of the final official transcript confirming receipt of the bachelor's and/or master's degree with eligible cumulative GPA. The one-year period of ineligibility is calculated from the date of termination of employment, service, or association until the due date for submission of applications. If you have any questions, please contact Fulbright Thailand at the number and email given below.
